

SILVERDALE METHODIST CHURCH PRESENTS..

EMMAUS

a different type of Worship Experience

..on the 4th Sunday
of every month

It's the Worship Experience where we talk with each other, and listen to each other – and when we can, go out & walk with each other too!

It's led during the opening – we worship together, and you can listen to the theme – then it's a choice, you can go out, and walk & talk, whether it's with & to someone who's with you, or to God; OR, you can stay & talk with others inside. THEN, we finish with a Response Time & Sung Worship – again, the choice is yours, you can come back from wherever you are, and join with those of us in-the-building doing just that, or you can continue walking & talking – it's entirely up to you as to how you engage.

Remember, the first disciples grew in faith by walking & talking with each other, and more importantly with Jesus – that's what EMMAUS is all about – that's why it's called EMMAUS, and why we do it!
